Payment Options

Payment Options

NAED is bringing more value to its customers who take advantage of these customer payment options.

In Person: Cash, Check or Credit Card Payments

North Attleborough Electric Department accepts cash, check or credit card payments at our Operations Center located at 275 Landry Avenue, North Attleborough. Check payments can be made either in person during business hours, or after hours using the convenient drop box located at the front of our building.

By Mail

You can mail your check and payment stub to our bank in Chelsea, Massachusetts, using the self-addressed envelope provided with your bill. Including your payment stub allows us to process your payment quickly and efficiently.

If you do not have the payment stub, please send your check to us at North Attleborough Electric Department, 275 Landry Avenue, North Attleborough, MA 02760. This will avoid delays in processing your payment as well as possible late charges.

Online Payment Systems

For online payment systems please have the payment sent DIRECTLY to North Attleborough Electric Department, 275 Landry Avenue, North Attleborough, MA 02760 – NOT the Chelsea address because our bank will not process these payments.

By Telephone: Credit Card Payments

VISA, MasterCard or Discover Card can be used to pay electric bills. This convenient, cost-effective and secure alternative for paying bills can save you time and

money. Credit card payments can be accepted during business hours by telephone or at our Operations Center. You may also use a preauthorized automatic debit arrangement which is applied on the due date of your electric bill.

Power Pay

Power Pay is a service that allows you to authorize the monthly payment of your electric bill by an automatic withdrawal from your checking account.

The bill is paid automatically on the payment due date. The payment will appear on your next bank statement, providing you with a payment record. It's all done for you automatically.

Next Step

Simply call our Customer Service Representative at 508.643.6300 during our business hours, or visit our Operations Center at 275 Landry Avenue, North Attleborough, to speak with our Customer Service Representative to discuss these payment options. It's that easy!

Business Hours:

Monday through Friday, 8:00 a.m. to 4:00 p.m.;
Thursday evenings September through
June until 5:00 p.m.
