Terms & Conditions:

In order to receive a rebate your business must receive electric service from NAED. You must also do the following:

1. Call NAED to schedule a lighting audit (valued up to \$1,500)
2. One the audit is completed, call NAED within 30 days to commit to do some or all the work listed on the Energy Management Audit Report.
3. Within 90 dyas of your commitment call to NAED, complete the work and install any new equipment at the service (account) address.
4. Call NAED to schedule a post-installation inspection by NAED to determine that the installation meets the Power Saver Rebate Program criteria.
5. Fill out the application and attach all required documentation. When installation is inspected and approved, a rebate check will be issued within 4-6 weeks.

*NAED reserves the right to reject any application that is incomplete or does not meet program criteria. Each commercial customer is limited to an maximum rebate from the Power Saver Program of \$2,000 for Small General Service (CI-6) and \$5,000 for Large General Service (CI-7). This offer expires December 31, 2007 or when funds have been expended. You are urged to consult your tax advisor concerning program incentives. NAED is not responsible for taxes that may be imposed on your business as a result of your receipt of any financial incentives from the NAED Power Saver Rebate Program.
