Third Party Notification

Program Description

*North Attleborough Electric Department offers **Third Party Notification**. This free service is a convenient way to insure that you don't miss important information concerning your electric account.*

What is Third Party Notification?

Third Party Notification allows you to appoint a third party who acts as a contact to insure that your electric service is not interrupted. The third party is NOT responsible to pay your bill; if you do not pay the bill the service WILL be interrupted.

How Does Third Party Notification Work?

You may appoint a third person to represent you concerning your account. We will send to the third party copies of notices of termination of service and notices of your right to appeal.

Who is Eligible for Third Party Notification?

Any North Attleborough Electric Department customer may appoint a third party representative.

PLEASE NOTE: This third party shall in no way be responsible for payment of your bills.
