As you may be aware, The Planning Board is undertaking an enormous task of updating the Master Plan. A Master Plan charts the course for the Town to encourage appropriate land use; promote economic development; establish a housing plan; preserve open space and recreation and so on. Currently, the Board is working on the Goals and Policies section which requires resident input. A survey has been developed to assist in gauging what the residents think are important and thus shape the goals for the future of the Town. Please participate by accessing the following website: [www. Surveymonkey.com/s/MGDGKRZ](http://www.Surveymonkey.com/s/MGDGKRZ) or accessing it on the Planning Board's, Department of Public Work's, Library's and the NAED websites. Hard copies are available at the Town Hall and the Library. Please feel free to contact the Planning Board office at 508.699.0116 with any questions or comments. Thank you for your participation and ongoing support.
