2021 NAED Appliance Rebate Program

\$250 annual limit per electric account

How do I know my appliance is Energy Star-certified?

ENERGY STAR is the U.S. Department of Energy's (DOE) and the U.S. Environmental Protection Agency's (EPA) symbol for energy efficiency. To determine if an appliance is Energy Star-certified:

1. Look for the Energy Star logo, usually stamped on the bottom-right of the yellow Energy Guide Label. **Do not confuse the yellow label for Energy Star certification.** Most products have a yellow label. Select products are Energy Star-certified. See example below.
2. Visit <https://www.energystar.gov/products/energy-star-most-efficient> to lookup your product by type and model number. No search results = not Energy Star-certified.
3. For online purchases, read detailed product info and/or look for the logo.
4. DO NOT rely solely on in-store sales reps to determine certification.

Energy Guide label WITH Energy star logo.

Energy Guide label WITHOUT Energy star logo.

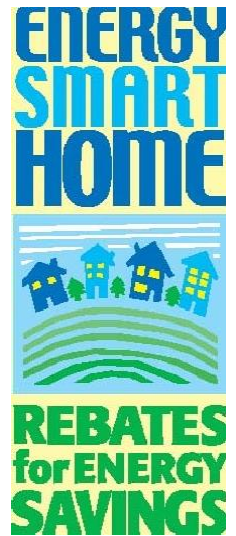

Energy Star logos come in blue & black

How do I qualify for rebates from NAED?

1. You must have an NAED account in good standing.
2. Purchase an Energy Star-certified appliance from the list below between 1/1/21 -12/31/21.
3. The annual rebate limit is \$250.

Clothes Washer	\$50.00
Clothes Dryer	\$50.00
Electric Vehicle Charger, Lvl 2	\$250.00, <i>max of one</i>
Refrigerator	\$75 with proof of disposal for old refrigerator
Smart/Wi-Fi Thermostat	\$25.00 <i>Verify your model is Energy Star.</i>
Dehumidifier	\$25.00
Programmable Thermostat	\$25.00 <i>No Energy star certification needed.</i>
